ANNEX 2

MAIL AND COURIER BRANCH

Special Requirements

Attached as Enclosure # 1 is a chart and explanation thereof which shows the regularly scheduled assignments of all personnel of the Mail and Courier Branch. As this chart indicates, the Courier Section is now operating at 100 percent capacity. There is very little time provided for certain special assignments which occur frequently but irregularly and which because of urgency, time element, and point of delivery involved, must be handled independently and promptly. These Special assignments are set forth in Tabs A, B, and C, of the Annex.
